always

## Why choose Tyro's Integrated EFTPOS?

- Tyro EFTPOS terminals integrate seamlessly with SAM4S cash registers
  - Low fees on Visa/MC and Australian EFTPOS transactions
  - Fixed low priced Visa/MasterCard debit transactions
  - Transparent fee structure (Interchange Plus)
- 
- Terminal ownership after 36 months
  - No lock in contract, no annual fees
  - No sign-up or application fees
  - All terminals broadband - no phone line required
  - Online real-time transaction reporting
  - No cancellation or break-away fees

Tyro is the first banking institution in the Australian EFTPOS market in 10 years. It operates with a Reserve Bank of Australia licence to process credit and debit card transactions and does not take money on deposit. Tyro acts under the supervision of APRA and is the only Australian institution to hold a Visa-PCI certification.

**Xenta**  
in sync

With Tyro's Integrated EFTPOS solution your sales amounts will be automatically sent to the payment terminal.

- faster - no re-keying of sales amounts
- more accurate - no data entry errors
- more efficient - no risk of undercharging
- safer - reduced exposure to internal fraud

With Tyro, your cash register and the payment terminal communicate seamlessly.

**Tyro's Integrated EFTPOS solution  
is risk free with no sign-up/closure fees.**
