

Tired of excessive EFTPOS fees and poor service? Try Tyro Payments!

The Merchant's EFTPOS

An independent Merchant Services Provider

As a Merchant Services Provider, Tyro Payments puts world class Australian engineering to the service of its clients delivering groundbreaking new features that do more than save your business money.

Tyro offers lower Merchant Service Fees, industry leading security, non-stop operation and lightning fast EFTPOS transactions.

An array of different clients

Processing more than \$2 billion in EFTPOS transactions annually, Tyro is one of the fastest growing companies in Australia today servicing more than 10% of all medical practices and newsagents.

Tyro provides payment services to some of Australia's best known brands including Airport Duty Free, Bavarian Hospitality Group, CabFare, Chanel, Coca Cola, Jaycar, Mecca Cosmetics, Medicare Australia, Nando's, Readings Books, Toyota and the Westfield Group.

Always available service

Tyro operates two live secure Data Centres with full redundancy, guaranteeing service availability all year-round including peak trading periods, and consistently fast authorization times.

No need to change transaction bank

You can keep your transactional banking with your bank of choice. Tyro will instruct settlement of funds into your nominated bank account on the next banking day.

High technical and prudential standards

Tyro is regulated and audited by the Australian Prudential Regulatory Authority (APRA) and meets the financial services industry's high technical and prudential standards, i.e. PCI and APCA.

Lightning fast broadband connection

Tyro's broadband terminals process transactions at queue-busting speeds of less than 3 seconds, reducing your checkout lanes and increasing customer satisfaction.

Online reporting for easier reconciliation

- Real-time EFTPOS transaction viewing for all card types
- Detailed reporting for EFTPOS cost management
- Online statement viewing
- Transaction data downloading directly into your preferred accounting system

Permanently available local support

Tyro's Help Desk is local and available 24/7.

“Tyro is the way to go when looking at credit card and EFTPOS solutions.” Naomi Rex, Riva Corporation

Integrated payment solutions

By partnering with the major POS vendors, Tyro is able to offer integrated payment solutions to meet your needs.

With Integrated IP EFTPOS your Point of Sale system can easily communicate with the Tyro EFTPOS terminal, via your in-store broadband network. There's no need for expensive or complex third party solutions.

A wireless integration option is also available.

Go to tyro.com/integration for the list of current POS partners.

A flexible agreement

With Tyro you can you can trial the EFTPOS solution side-by-side with your existing facility before making a decision.

Fast processing

Tyro terminals are delivered within 7–10 business days of submitting your signed application.

Competitive transaction rates

Tyro is the first Australian EFTPOS provider to publish its rate schedule. By offering merchants transparent and competitive pricing, Tyro strives to keep the Merchant Service Fees low.

As Tyro doesn't take deposits or issue payment cards, it focuses solely on the merchant's interest.

Tyro Payments

No phone line required

No lock-in contract

No cancellation fees

No admin fees

No setup fees

No charge back fees

Terminal ownership plan

Free phone authorisation

Smart simple integration with many POS systems

Other Banks

\$450 per dial-up phone line

1–5 year lock-in term

\$110–\$500 cancellation fees

\$40 admin fee per facility

\$70 setup fees

\$22 per charge back incident

Ongoing terminal rental

\$2.90 per phone authorisation
