Dear John

On behalf of all members of the Monte Sant' Angelo Mercy College community I wish to thank you for supporting our annual Rugby Lunch. The supply of the terminals from Tyro was a great help to the volunteers and made the job of processing payments much easier.

The lunch raised in excess of \$40,000, a fantastic result. This year all proceeds from the lunch go to the College Education Trust to assist young women who would not otherwise be able to benefit from a Monte Sant' Angelo Mercy College education.

We hope that you enjoyed the lunch. Your continued support as always is much appreciated.

Kind regards
