You understand and acknowledge that we may vary the amount or frequency of debits under the Direct Debit Request in accordance with any variation to this clause 9.0. We will provide you with notice of any changes in relation to the amount or frequency of debits under the Direct Debit Request Service Agreement as soon as practicable after the changes have been implemented.

If the due date for a debit to your Fee Account, Linked Account or Settlement Account falls on a day which is not a Business Day, we will debit your Fee Account, Linked Account or Settlement Account on the next Business Day. If you are uncertain as to when the debit to your Fee Account, Linked Account or Settlement Account will be processed, you should contact the financial institution with whom the Fee Account, Linked Account or Settlement Account (if this is not your Tyro Bank Account) is held.

It is your responsibility to ensure that:

- the account details of the Fee Account, Linked Account and Settlement Account are correct by checking them against a recent account statement issued by the financial institution with whom the Fee Account, Linked Account or Settlement Account (if this is not your Tyro Bank Account) is held;
- if you have queries about completing the Direct Debit Request you contact the financial institution with whom the Fee Account, Linked Account or Settlement Account (if this is not your Tyro Bank Account) is held;
- the Fee Account, Linked Account and Settlement Account (if this is not your Tyro Bank Account) can accept direct debits (as direct debiting may not be available on all accounts offered by financial institutions);
- the Fee Account, Linked Account and Settlement Account have sufficient cleared funds available to enable the direct debits authorised by the Direct Debit Request to be made from time to time; and
- the authority given to us to draw on the Fee Account, Linked Account and the Settlement Account is consistent with the account authority or signing instructions held by the financial institution in which the Fee Account, Linked Account and Settlement Account (if this is not your Tyro Bank Account) are held.

If there are insufficient cleared funds in the Fee Account, Linked Account or Settlement Account to meet a debit payment:

- you may be charged a fee and/or interest by the financial institution which holds the Fee Account, Linked Account or Settlement Account (if this is not your Tyro Bank Account); and
- you must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in the Fee Account, Linked Account or Settlement Account by an agreed time so that we can process the debit payment.

We will not disclose any details of your Direct Debit Request unless:

- a. the disclosure is to a financial institution and is necessary to enable us to act in accordance with this Agreement; or
- b. we are required or permitted by law to make such disclosure.

You should check your account statement for the Fee Account, Linked Account and Settlement Account to verify that the amounts debited from the Fee Account, Linked Account or Settlement Account are correct.

If you believe that there has been an error in debiting the Fee Account, Linked Account or Settlement Account, you should contact us as soon as possible so we can resolve your query. Alternatively, you can contact the financial institution with whom the Fee Account, Linked Account or Settlement Account (if this is not your Tyro Bank Account) is held.

If we conclude that your Fee Account, Linked Account or Settlement Account has been:

- a. incorrectly debited, we will arrange for the financial institution with whom the Fee Account or Linked Account is held to adjust the Fee Account, Linked Account or Settlement Account as required. We will notify you of the amount by which the Fee Account, Linked Account or Settlement Account has been adjusted; or
- b. has not been incorrectly debited, we will promptly respond to you by providing you with reasons and any evidence for this finding.

You must ensure at all times that we have a valid Direct Debit Request from you under which we may debit amounts from the Fee Account, Linked Account or Settlement Account that we are entitled to receive under this Agreement (**direct debit authority**). You may request us to cancel or suspend a direct debit authority. Alternatively, you can contact the financial institution with whom the Fee Account, Linked Account or Settlement Account (if this is not your Tyro Bank Account) is held. If you cancel or suspend our direct debit authority you must at the same time elect a new Fee Account, Linked Account or Settlement Account and execute a Direct Debit Request with respect to the new Fee Account, Linked Account or Settlement Account which will be on the same terms as this clause 9.0 and clause 10.0 of Part B.

You may change the Fee Account, Linked Account or Settlement Account to which your Direct Debit Request relates by giving us 5 Business Days' written notice. In this case, you will be deemed to have cancelled the relevant Direct Debit Request with respect to this account.

We can change the terms of this clause 9.0 in accordance with clause 10.0 of this Part A.

Where possible, we will inform you as soon as practicable after suspension (except where the suspension is related to a current investigation). Whilst in suspension, you must not submit Transactions for processing and we will not process any Transactions that you submit.

In addition to a general suspension of the Tyro Services, we may suspend the Tyro Services in respect of a particular Card or Transaction type due to delay, downtime or suspension by the relevant Scheme.

19.0 Termination

If we reasonably suspect that you are committing fraud under the terms of this Agreement, are in breach of this Agreement, are subject to an Insolvency Event or, where you are a company and we become aware that you are deregistered, we may immediately terminate this Agreement.

We can immediately terminate the provision of the Tyro Services in respect of a particular Scheme if that Scheme declines access, suspends or terminates either our access to the Scheme or its services or directs us to suspend or cease providing the Tyro Services to you for any reason. Termination in respect of one Scheme will not affect the provision of Tyro Services in respect of other Schemes.

In all other instances, we may terminate this Agreement at any time without cause by giving 30 days' notice to you.

Your Authorised Signatories may terminate this Agreement by giving 30 days' notice to us in accordance with the Administration Authority (unless you have a loan from us in which case the Agreement can only be terminated by you after your loan is repaid in full).

You authorise us to debit the Replacement Cost of the Equipment from the Fee Account immediately on termination. We will refund to you the Replacement Cost on receipt by us of the Equipment in good order and condition if the Equipment is returned within 30 days of termination.

If we are not successful in debiting the Fee Account for the Replacement Cost, the Replacement Cost will remain a debt due by you to us until such time as we receive the Equipment in good order and condition (within 30 days of termination) or full payment of the Replacement Cost.

20.0 Remedies

You acknowledge and agree that your breach of this Agreement relating to the licences granted in this Agreement and your use of Tyro Confidential Information may result in irreparable harm and permanent injury to us for which monetary damages would be an inadequate remedy. Consequently, you acknowledge and agree that, in such circumstances, we will be entitled to seek and obtain, without the posting of a bond, in addition to all other remedies

4.0 Transactions

You must:

- a. if processing a Transaction using the Tyro EFTPOS Facility or Tyro eCommerce, use a Terminal or Tyro eCommerce (as applicable) to process every Transaction, unless the Terminal, Tyro eCommerce, the eftpos System or the Communications Service is inoperative;

- h. ensure any Refund also includes any surcharge charged in the original Transaction. In the case of a partial Refund, the surcharge must be pro-rated;

Card issuers may impose limits on the monetary amount and number per day of Transactions a Cardholder may effect. You agree to comply with those limits.

The Terminals and Tyro eCommerce will be programmed to accept all Card Transactions which they are able to accept. If you do not wish to participate in any particular Scheme you must contact us and complete and return any forms we request.

For some Schemes, you are required to have a separate agreement with the Scheme operator and our only obligation in relation to a Transaction is to transmit the particulars of the Transaction to the Scheme operator under which the Card was issued. For these types of Transactions, we make no representation and give no assurances in relation to the performance of any agreement or arrangement between you and such entity.

If requested, you must inform us of your merchant number for all Schemes in which you participate.

We reserve all rights to route Transactions using networks we determine or to change the way we route Transactions without notice. For example, we may change the cost; infrastructure or system features. You can opt-in to Tap & Save by contacting us. Certain transactions are excluded

from Tap & Save, for details refer to the FAQs at www.tyro.com. Some pricing structures are not eligible for Tap & Save. Tap & Save will become available from a date nominated by Tyro in its discretion. Tyro does not guarantee any cost savings by opting in for Tap & Save. You can turn off Tap & Save functionality at any time by contacting us.

We make no representations and give no assurances whatsoever in relation to the credit worthiness of any person presenting a Card.

You acknowledge that authorisation of a Transaction is not a representation by us that the Transaction is valid. The Transaction may be subject to dispute or a Chargeback.

To the maximum extent permitted by law, you waive any right which you may have against us by reason of any inferred representation or assurance from us processing a Transaction. In the absence of a manifest error, the Transaction data produced by the Terminal or Tyro eCommerce (as applicable) is deemed to be correct. We are not liable for any error, delay, malfunction or failure caused or contributed to or initiated by your integrated point-of-sale or practice management software.

You must promptly notify us of any malfunction or error of the Terminals, Tyro eCommerce, the eftpos System or the Communications Service. In processing offline Transactions you agree to:

- a. only do so if the Terminal, Tyro eCommerce, eftpos System or Communications Service is inoperative, the Merchant Web Interface is inaccessible and the malfunction has been reported to us;
- b. obtain prior authorisation through Tyro's Voice Authorisation Process for each Transaction; and
- c. capture the offline Transaction on paper and within three (3) Business Days enter the details of the offline Transaction into the Terminal, Tyro eCommerce or Merchant Web Interface.

You acknowledge and agree that processing offline Transactions is at your own risk.

In processing Transactions initiated by telephone you must give the Cardholder the following information at the time of all Transactions:

- a. the receipt number;
- b. the amount of the Transaction;
- c. the type of Transaction, e.g. purchase, refund, credit;
- d. confirm the Card details charged; and
- e. your trading name.

On receiving a MOTO, you must maintain a written record of the following details:

- a. Card number (the last four digits only);
- b. expiry date;
- c. full name of the Cardholder (as it appears on the Card);
- d. full address of the Cardholder (street address only, no post office box);
- e. telephone number;
- f. details of goods or services supplied;
- g. price of goods or services supplied;
- h. delivery instructions; and
- i. date of Transaction.

For MOTO Transactions where you are not required to obtain the Cardholder's PIN or signature and compare the Cardholder's signature with that on the Card, you must ensure that each person processing such a MOTO Transaction uses best endeavours to verify the authenticity of the information given to you by the customer.

You must obtain authorisation via the MOTO option on the Terminal for all MOTO Transactions regardless of the value of the Transaction.

Where there will be a delay of more than five (5) days in you dispatching goods or providing services ordered by telephone, you must not process the Transaction in respect of such goods or services until the day of dispatch. For further assistance, please contact Customer Support.

If goods are to be shipped, you may obtain a preauthorisation on any day up to seven (7) days prior to the date the goods are shipped. This authorisation is valid if the amount of the Transaction is within 15% of the authorised amount, provided that the additional amount represents shipping costs.

You must ensure you have sufficient funds in your Settlement Account or Fee Account to meet your Refund obligations for all Refunds you process.

You warrant by processing any Transaction that:

- a. all information given to us in respect of that Transaction is true and correct;
- b. the Transaction is valid; and
- c. the sale in respect of the Transaction is not subject to any dispute, set-off or counterclaim.

You acknowledge that MOTO Transactions and Transactions processed via the eCommerce Facility are riskier than other Transactions and more likely to result in a Chargeback. It is your responsibility to know and identify your customer. Each MOTO Transaction and each Transaction processed via the eCommerce Facility is at your risk.

5.0 Accepting Card Transactions via Tyro eCommerce

This clause applies to Transactions processed via Tyro eCommerce only.

Information regarding Transactions completed in respect of which Tyro eCommerce provides technical support ("**Transaction History**") will be available to you on your Tyro eCommerce Portal when you login using your eCommerce Facility.

After each settlement to your Settlement Account, we will update information in your eCommerce Facility to reflect settlement and you can view this information in your Transaction History on your Merchant Web Interface. We provide a minimum of one year of Transaction History on your Merchant Web Interface. Except as required by law, you are solely responsible for compiling and retaining permanent records of all Transactions and other data associated with your eCommerce Facility, your Transaction History, and your use of Tyro eCommerce.

Except as required by law, you are solely responsible for reconciling your Transaction History with your actual processed Transactions. You agree to notify us of any discrepancies arising from such reconciliation and verification within sixty (60) days. In the event you are owed money as a result of the discrepancy, please contact us to seek resolution.

6.0 Security

You must:

- a. not disclose (other than to us or unless required by law) or obtain a Cardholder's name or Card details to or from any person, except where that information has been lawfully collected by you other than through a Transaction;
- b. comply with all applicable user guides and other security requirements specified at <https://www.tyro.com> (including <https://www.tyro.com/security>) as published and amended by us from time to time;
- c. comply with the PCI DSS Requirements and any Scheme security requirements;
- d. permit us or our representative reasonable access to inspect your computer systems to conduct an investigation on whether there has been a security breach and/or data compromise. To the extent reasonably possible, we will use reasonable endeavours to cause minimal disruption where possible;
- e. use reasonable care to detect forged or unauthorised signatures or the unauthorised use of a Card;
- f. not process a Transaction by keying the transaction details manually into a Terminal unless instructed to do so by the Terminal;
- g. co-operate with, implement required measures and provide information requested by either a Scheme or us in order to reduce risks generally including the risk of Invalid Transactions;
- h. use reasonable care to prevent the use of a Card as an instrument in money laundering activities;
- i. use reasonable care to protect the security of your Tyro EFTPOS Banking passwords; and
- j. not and must ensure that your Authorised Signatories and Account Users do not:
 - voluntarily disclose their Tyro EFTPOS Banking password to anyone; and
 - keep a written record of their Tyro EFTPOS Banking password on one or more articles likely to be lost or stolen simultaneously, without making a reasonable attempt to protect the security of the password.

You acknowledge that from time to time, we may implement processes, procedures and software to identify fraudulent transactions in connection with your use of Tyro EFTPOS Banking. You acknowledge and agree that these measures are designed to minimise the incidence of fraud or otherwise illegal transactions, but do not guarantee that such transactions are eliminated.

7.0 Records and Statements

You must:

- a. keep all Receipts, your books of account and records of all Transactions (both sales Transactions and Refunds) for a minimum period of eighteen (18) months;
- b. provide us with all Receipts and other records in connection with Transactions as requested by us; and
- c. permit us or our representative to inspect Receipts, your books of account and records of all Transactions (both sales Transactions and Refunds) on request.

Where reasonably possible we will do this with prior notice and/or during business hours.

We will make available to you on the Tyro App each month a statement showing the amount of all Transactions processed by us for you during the month. It is your obligation to check the statement to ensure the accuracy of the payments to the Settlement Account and from the Fee Account.

8.0 Settlement Times

For Transactions processed using the Tyro EFTPOS Facility, an automated settlement time can be nominated via the Terminal by any person or by any person who contacts us with your Terminal details and requests us to do so. You authorise us to act on these instructions and establish the nominated automated settlement time. If you have not nominated an automated settlement time, your existing automated settlement time (allocated by us) will apply.

For Transactions processed using Tyro eCommerce, we will initiate transfer of the proceeds of all valid Transactions processed via Tyro eCommerce (net of fees, Chargebacks and other funds owed to us) at the same settlement time as for your Tyro EFTPOS Facility.

9.0 Settlement

If you have an activated Tyro Bank Account that is your Settlement Account we will use reasonable endeavours to credit your Tyro Bank Account with the proceeds of all valid Transactions promptly after your nominated automated settlement time or, where you have not nominated a settlement time, your existing automated settlement time (allocated by us). However, we are not liable for any delay in crediting your Tyro Bank Account.

If your Settlement Account is not your Tyro Bank Account, we will generally credit the proceeds of all valid Transactions to your Settlement Account no later than two (2) Business Days following the date the Transaction is processed by a Terminal or Tyro eCommerce (as applicable) as long as settlement of all your Terminals and Tyro eCommerce (if applicable) occurs either by a manual settlement initiated by you or an automated settlement initiated by our systems prior to 5am (AEST).

Your Tyro Bank Account will automatically be your Settlement Account unless you instruct us to make another account your Settlement Account.

If you nominate a Settlement Account that is not the Tyro Bank Account, we will initially credit all funds into your Tyro Bank Account and then automatically sweep all funds to your Settlement Account every banking day. Notwithstanding when we credit your Settlement Account which is held with another bank, your bank will determine when it makes the instructed payment available as disposable funds in your Settlement Account.

If there is any delay by our counterparties in respect of a Transaction, we may delay settlement to you until that counterparty fulfils its obligations. We reserve the right to delay the payment instruction of any Transaction until we receive payment in respect of that Transaction.

If our counterparty in respect of a Transaction:

- a. fails to make a payment to us; or
- b. makes a payment to us that is less than the full value of the relevant Transaction,

for any reason and we have already credited the Settlement Account in respect of the relevant Transaction, you must immediately repay to us the amount of the shortfall. Without

limiting any other recourse we may have, you authorise us to debit the shortfall amount (as reasonably determined by us) from the Fee Account.

You acknowledge and agree that our obligation to credit valid Transactions to your Settlement Account may from time to time be subject to other legal obligations binding on us to credit part or all of a valid Transaction to a third party, including the Australian Taxation Office and any other third party pursuant to an applicable law or legally binding order.

10.0 Settlement Account and Fee Account

You authorise us to debit the Settlement Account in respect of:

- a. the full amount of Refunds presented by you;
- b. any overpayments made by us;
- c. any Chargeback; and
- d. any amounts payable to us in relation to DCC Chargebacks and DCC Refunds.

You must maintain a Fee Account to which amounts payable by you to us may be debited. The Settlement Account and the Fee Account will be the same account unless you notify us otherwise. You must maintain the Fee Account for the duration of this Agreement and for at least one hundred and eighty (180) days after termination of this Agreement. You must not make any changes to the Fee Account without notifying us in advance.

You authorise us to debit the Fee Account in respect of:

- a. all fees and charges payable by you under this Agreement;

- d. any overpayments made by us if these cannot be debited from your Settlement Account;
- e. any Chargeback if this cannot be debited from your Settlement Account;
- f. any amounts payable to us in relation to DCC Chargebacks and DCC Refunds if these cannot be debited from your Settlement Account;
- g. amounts paid by us for Transactions where we are investigating the validity of the Transaction or a claimed Chargeback of the Transaction;
- h. duties and taxes payable by you in relation to or connection with this Agreement;
- i. any deficiency in a payment disclosed in an audit or check by us; and
- j. any other amounts due by you to us under this Agreement.

We have the right to withhold or suspend payment of all amounts that would otherwise be payable to you:

- a. where you owe us any amount under this Agreement (including fees and charges) until such amount has been paid; or

- b. until we have concluded reasonable investigations into any claimed Chargebacks or into the validity of any Transactions.

You agree that these authorisations continue despite termination of this Agreement.

11.0 Chargebacks

We may refuse to accept, or having accepted, may Chargeback, any Transaction if:

- a. we consider that the Transaction is an Invalid Transaction or the relevant Scheme determines that a Transaction is prohibited, unauthorised or fraudulent or otherwise determines not to pay us the value of the relevant Transaction for any reason;
- b. the Transaction is illegal;
- c. the Cardholder disputes all or any part of its liability for any reason; or
- d. the Card was not valid at the time of the Transaction.

You agree to provide us and the relevant Scheme with all relevant documentation and records relating to a Transaction that is the subject of a Chargeback, to enable us to fulfil our obligations to the relevant Scheme with respect to that Chargeback.

You acknowledge and agree that the relevant Scheme makes the final determination as to whether a Transaction will be subject to a Chargeback.

You agree to comply with our guidelines and procedures relating to chargebacks, available at <https://www.tyro.com/chargebacks-disputes-guide/>.

For the avoidance of doubt this clause 11.0 does not apply to BPAY Payments.

12.0 Promotional material

We may supply you with decals and insignias for the Cards accepted. We may supply you with other promotional material at our discretion.

You agree to:

- a. prominently display, wherever reasonably directed by us, logos, decals and other signs advertising Schemes and Cards;
- b. not use any Scheme or Card logo or decal for any purpose other than the purpose of indicating acceptance of the relevant Scheme or Card or, in the case of advertising or promotional material provided by us, except as expressly authorised by us;
- c. give all payment methods equal or substantially similar logo placement and treatment in terms of payment flow, terms, conditions, restrictions or fees;
- d. not attempt to influence or inhibit a Cardholder's decision in relation to the use of any payment method or encourage a Cardholder to use a particular payment method;
- e. not mischaracterise, misrepresent or disparage any payment method or exhibit a preference for one or more payment methods; and
- f. when you display or exhibit the payment methods that you accept, display all payment methods in an equal and positive manner, including on websites and in marketing materials, advertising and other customer communications.

In the course of your use of Tyro eCommerce, there may be certain images made available for use by you ("**Gallery Images**"). As part of the use of the Gallery Images, you must comply, and will ensure that any third party you allow access to your credentials on Tyro eCommerce complies, with the following terms. The Gallery Images shall not be used:

- a. except solely as incorporated into the digital products created and distributed using Tyro eCommerce;
- b. together with pornographic, defamatory, or unlawful content or in such a manner that it infringes upon any third party's trademark or intellectual property rights;
- c. portraying any person depicted therein (a "**Model**") in a way that a reasonable person would find offensive, including but not limited to depicting a Model: a) in connection with pornography, "adult videos", adult entertainment venues, escort services, dating services, or the like; b) in connection with the advertisement or promotion of tobacco products; c) as endorsing a political party, candidate, elected official, or opinion; d) as suffering from, or medicating for, a physical or mental ailment; or e) engaging in immoral or criminal activities; or
- d. as or as part of a trademark, service mark, or logo.

13.0 DCC Services

If we provide DCC Services to you:

- a. the Terminal will display the amount payable by the Cardholder in AUD and also the relevant foreign currency amount for each DCC Transaction;
- b. the Cardholder must select whether to process the DCC Transaction in AUD or the applicable foreign currency, you must not influence this decision;
- c. we will settle the relevant DCC Transaction by crediting the Settlement Account with the AUD value of the Transaction;
- d. you will be entitled to a DCC Rebate which we will pay into your Settlement Account on the first Business Day after the end of each calendar month;
- e. on the first Business Day after the end of each calendar month, we will generate a DCC Recipient Created Tax Invoice detailing DCC Rebate payable for the preceding month. You agree not to generate any other invoice relating to DCC Rebate payments;
- f. for DCC Chargebacks and DCC Refunds, you will be required to refund the Cardholder the Transaction value at the currency conversion rate applicable at the date of the DCC Chargeback or DCC Refund. This means that you assume currency risk for these types of Transactions.

For the purposes of clause 13.0(e), we will issue you any DCC Recipient Created Tax Invoice within 28 days of determining the relevant DCC Rebate. You will not issue tax invoices in respect of the supplies included on the DCC Recipient Created Tax Invoice.

You confirm that you are registered for GST at the start of this Agreement (if you are required to be registered) and will immediately notify us if you cease to be registered for GST.

You will notify us if you cease to comply with the requirements or undertakings provided in this clause 13.0 or by any issue known to, or becoming known to you which would cause us not to qualify to issue the DCC Recipient Created Tax Invoices.

We confirm we are registered for GST at the start of this Agreement and we will immediately notify you if we cease to be registered for GST.

We will notify you if we cease to comply with the requirements or undertakings provided in this clause 13.0, or by any issue known to or becoming known by us which would cause us not to qualify to issue the DCC Recipient Created Tax Invoices.

It is important that where a mistake occurs in processing a DCC Transaction that you reverse the DCC Transaction rather than processing a DCC Refund. If you process a DCC Refund rather than a reversal, significant currency spread can occur which can result in you incurring a large liability.

If you process a DCC Refund or reversal or a DCC Chargeback occurs, you are required to repay to us an amount equivalent to the DCC Rebate paid in respect of the original DCC Transaction. In these circumstances, you authorise us to debit an amount equivalent to the relevant DCC Rebate paid in respect of the original DCC Transaction from your Settlement Account.

- d. for bulk bill or part paid claims, we facilitate electronic claiming via the Terminal but do not provide settlement services. Medicare is responsible for processing such payments in accordance with its procedures;
- e. for bulk bill claims, you acknowledge that such claims may be subsequently rejected by Medicare and it is your responsibility to manage the payment process with Medicare;

- f. you must not process in-patient claims via the Terminal.

16.0 Scheme Information

You acknowledge that we may obtain from and disclose to any person who is a Card issuer or who is involved in any Scheme, information about you for any purpose relating to the operation of the Scheme. Our rights under this clause continue despite termination.

You acknowledge that the terms of agreement with your mobile service provider will continue to apply when using the Tyro App. To the extent that there is an inconsistency between those terms and the terms of this Agreement, you agree that the terms of this Agreement will prevail.

By downloading and installing the Tyro App, you agree to the terms of this Agreement.

4.0 Tyro Bank Account transactions

If you have the Tyro App and your Tyro Bank Account is activated you can:

- a. deposit funds into your Tyro Bank Account by electronic transfer from any account held with another Australian ADI; and
- b. withdraw funds from your Tyro Bank Account by initiating and approving a Payment Direction.

If you do not have the Tyro App you cannot deposit funds into or withdraw funds from your Tyro Bank Account.

You can only access the Tyro Bank Account through the Tyro App. You can only approve Payment Directions on the Tyro App. We will not process any Payment Direction until an Authorised Signatory or Account User approves the transaction via the Tyro App.

If your Tyro Bank Account is not activated, the closing balance of funds held in the Tyro Bank Account will be automatically swept to your Settlement Account. You will not

receive interest on such balance and will not be able to put a stop on the Tyro Bank Account to prevent automated sweeping to the Settlement Account.

Unless we notify you otherwise, you cannot:

- a. draw a cheque on the Tyro Bank Account;
- b. withdraw funds from the Tyro Bank Account from an ATM;
- c. transfer funds to an account that is held with a financial institution that is not an Australian ADI; or
- d. transfer funds from an account that is held with a financial institution that is not an Australian ADI to the Tyro Bank Account.

You can only transfer cleared funds from the Tyro Bank Account.

If we receive instructions to transact on your Tyro Bank Account by way of a Payment Direction and such instructions are appropriately authorised on the Tyro App, you authorise us to carry out such instructions. You authorise us to treat the instruction contained within a Payment Direction as if it was authorised by you or your Authorised Signatory.

We will be under no obligation (even if we have notice that the instructions contained within a Payment Direction have originated from a person that is not authorised to operate the Tyro Bank Account) to confirm the validity or authenticity of the person providing us with instructions contained within a Payment Direction. For the avoidance of doubt, any instructions we are provided with via a Payment Direction will be deemed to have been provided or authorised by you and will not be an unauthorised transaction to which clause 19.0 of this Part C applies.

You acknowledge and agree that we will not be liable for any loss, damages, compensation or liabilities you incur as a result of or in connection with a Payment Direction, including but not limited to:

- a. us processing transactions in accordance with the instructions contained in a Payment Direction; or
- b. any delay, non-performance, failure to perform or processing errors which are caused by us in receiving instructions contained in a Payment Direction.

By using any voice assistant function, such as Siri, Google Assistant, or any similar function which is available on your Device, you:

- a. authorise us to share relevant information with Apple, Google, or any other provider of the function, for the purpose of interpreting and completing your requests; and
- b. acknowledge that it is your responsibility to confirm payee and payment details are accurate before approving any transaction on the Tyro App. We don't check these details and won't be responsible if they are incorrect.

5.0 Scheduling and recurring future payments and transfers

You can 'schedule' a Payment Direction by nominating a future date on which the transaction is to be made.

A Payment Direction is a "Recurring Transaction", where it is scheduled to occur on more than one future date.

Depending on the availability of cleared funds in your Tyro Bank Account, we will continue to attempt to process the payment or transfer at regular intervals unless you cancel the payment or transfer before it is processed.

In the case of Recurring Transactions, we will continue to attempt to process the particular scheduled payment or transfer on the day it falls due. Should you have insufficient funds in your Tyro Bank Account at that time, this will result in the particular scheduled payment or transfer being cancelled and not reprocessed.

Scheduled transactions can be suspended or cancelled by you up to and including the day the transfer or payment is due if we have not begun processing the payment. Otherwise we will process the payment or transfer as originally instructed by you in the Payment Direction.

Where there are insufficient cleared funds in your Tyro Bank Account and Payment Directions are delayed as a result, we will process transactions in the order in which they are approved.

6.0 When are Payment Directions processed?

Subject to having sufficient cleared funds in your account and being within your daily transaction limits, Payment Directions on your Tyro Bank Account are processed on the day they are made or scheduled to occur or, where made or scheduled on a non-Business Day, on the next available Business Day. Settlement proceeds from your Tyro EFTPOS Facility or Tyro eCommerce (as applicable) will be displayed as cleared funds in your Tyro Bank Account. However, any Payment Directions in relation to those proceeds will not be processed until the next bulk electronic clearing system settlement.

We will credit amounts to the Tyro Bank Account as soon as practicable after we receive them. We may assign any date we consider appropriate to a debit or credit to the Tyro Bank Account except that in the case of a debit, the date will not be earlier than the date of the relevant transaction. We may adjust debits and credits to the Tyro Bank Account so as to accurately reflect your and our legal obligations.

7.0 Transaction and daily limits for Payment Directions

The combined daily limit for Payment Directions on your Tyro Bank Account (excluding Linked Account Transfers) is set at a default of \$20,000 per day. You may request to change this combined daily limit to an amount from \$0 to \$120,000 (except Pay Anyone transactions which are limited to up to \$30,000 in aggregate per day) by contacting us (changes are subject to meeting our eligibility criteria).

There is a per transaction limit of \$100,000 for Linked Account Transfers. Daily limits do not apply to Linked Account Transfers.

There are no daily or transaction limits for direct debits.

Limit increases must be approved in accordance with your Administration Authority for your Tyro Bank Account. You authorise us to obtain approval from your Authorised Signatory(ies) verbally over the phone for limit increases. All Authorised Signatories will be notified of any limit increase and the limit increase will be effective 2 Business Days after approval is obtained.

Any one Authorised Signatory can request a limit decrease by contacting us, even if your Administration Authority is "any two to sign". All Authorised Signatories will be notified of any limit decrease and the limit decrease will be effective immediately. Decreasing your limit may have an impact on previously scheduled payments. You will need to ensure that you adjust any previously scheduled payments so that they fall within your new daily limit. Where a scheduled payment will exceed your daily limit, we will not process the payment and will notify you.

If you request a higher daily transaction limit your liability for unauthorised transactions may increase. Third parties including BPAY Billers and other financial institutions may impose other restrictions on transfers.

We may reduce your daily limit or suspend your ability to initiate or approve Payment Directions if we have reason to believe that your security is at risk. If we do, your access to the Tyro App and/or your ability to initiate or approve Payment Directions may be suspended or limited and won't be available until we reactivate it. We can suspend or cancel any payment in our discretion if we consider that a Pass Code, Fingerprint Login or the Tyro App is being used in a way that may cause loss to you or us or as a result of any system malfunction.

8.0 Direct Debit transactions

You may authorise a third party to debit your Tyro Bank Account for the payment of services (**direct debit authority**).

You may request us to cancel or suspend a direct debit authority at any time. We will promptly action such a request. We recommend that you also notify the authorised party that debits the payment from your account of this request to cancel or suspend your direct debit authority.

If you believe that there has been an error in debiting your Tyro Bank Account, you should contact us as soon as possible so we can resolve your query. Alternatively, you can contact the authorised party that debits the payment from your account.

9.0 BPAY Payments

We are a member of the BPAY Scheme. We will tell you if we cease to be a member of the BPAY Scheme.

You can use BPAY to pay bills bearing the BPAY logo from the Tyro Bank Account.

When you instruct us, via a Payment Direction, to make a BPAY Payment you must tell us the BPAY Biller's code number (found on your bill), your Customer Reference Number (e.g. your account number with the BPAY Biller) and the amount to be paid from the Tyro Bank Account. We will then debit your Tyro Bank Account with the amount of that BPAY Payment.

Maximum limits on BPAY Payments from your Tyro Bank Account are set out in clause 7.0 of this Part C.

We cannot effect your instructions to make a BPAY Payment if you do not give us all the specified information or if you give us inaccurate information.

We may suspend your right to participate in the BPAY Scheme at any time including (but not limited to), in any of the following circumstances:

- a. you are in breach of the terms of this Agreement; or
- b. you or someone on your behalf is suspected of engaging in fraudulent conduct.

10.0 Processing BPAY payments

In most cases a BPAY Payment is treated as received by the BPAY Biller to whom it is directed:

- a. on the same day you make the BPAY Payment, if you direct us to make a BPAY Payment before the cut off time on a BPAY Banking Day; or
- b. on the next BPAY Banking Day, if you direct us to make a BPAY Payment after the cut off time or on a non- BPAY Banking Day.

The cut off time is 5.30 pm on any BPAY Banking Day.

A delay may occur processing a BPAY Payment where:

- a. there is a non- BPAY Banking Day on the day after you tell us to make a BPAY Payment;
- b. you tell us to make a BPAY Payment either on a day which is not a BPAY Banking Day or after the cut off time on a BPAY Banking Day; or
- c. a BPAY Biller, or another financial institution participating in the BPAY Scheme fails to comply with its obligations under the BPAY Scheme.

If we are advised that your payment cannot be processed by a BPAY Biller, we will:

- a. advise you of this;
- b. credit your Tyro Bank Account with the amount of the BPAY Payment; and
- c. take all reasonable steps to assist you in making the BPAY Payment as quickly as possible.

We cannot stop or reverse a BPAY Payment once we have submitted your BPAY payment to BPAY.

BPAY Payments are irrevocable except where a BPAY Payment is a mistaken payment (refer to clause 12.0), unauthorised payment (refer to clause 13.0) or a fraudulent payment (refer to clause 14.0). No refunds will be provided through the BPAY Scheme where you have a dispute with the BPAY Biller about any goods or services you may have agreed to acquire from the BPAY Biller. Any dispute must be resolved with the BPAY Biller.

We will treat your BPAY Payment instruction as valid if, when you give the instruction to us, you have complied with the security obligations in clause 21.0 of this Part C and you access the Tyro App to make your BPAY Payment, by way of a Payment Direction, in accordance with the terms set out in this Agreement.

You should notify us immediately if you think you have made a mistake when instructing us to make a BPAY Payment (except when you make an underpayment in which case you can make another BPAY Payment for the difference).

Please keep a record of the BPAY receipt number generated for your BPAY Payment.

We will attempt to make sure that your BPAY Payments are processed promptly by participants in the BPAY Scheme.

11.0 BPAY mistaken payments, unauthorised transactions and fraud

You must tell us promptly if:

- a. you become aware of any delays or mistakes in processing your BPAY Payments;
- b. you did not authorise a BPAY Payment that has been made from your account; or
- c. you think that you have been fraudulently induced to make a BPAY Payment.

We will attempt to rectify any such matters in relation to your BPAY Payments.

To the maximum extent permitted by law, we will not be liable for any loss or damage you suffer as a result of using the BPAY Scheme, other than due to any loss or damage you suffer due to our negligence or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

12.0 Mistaken BPAY Payments

If a BPAY Payment is made to a person or for an amount, which is not in accordance with your instructions (if any), and your Tyro Bank Account was debited for the amount of that payment, we will credit that amount to your Tyro Bank Account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount of that payment from the person who received it within 20 BPAY Banking Days of us attempting to do so, you must pay us that amount.

If you instruct us to make a BPAY Payment and later become aware that you have instructed us to pay an amount that is greater than the amount that you owe to the BPAY Biller, you must contact the BPAY Biller to obtain a refund of the excess amount paid.

13.0 Unauthorised BPAY Payments

If you tell us that a BPAY Payment made from your account is unauthorised, you must give us your written consent addressed to the BPAY Biller who received that BPAY Payment, consenting to us obtaining from the BPAY Biller information about your account with that BPAY Biller or the BPAY Payment, including your customer reference number and such information as we reasonably require to investigate the BPAY Payment. If you do not give us that consent, the BPAY Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY Payment.

If a BPAY Payment is made in accordance with a payment direction, which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your Tyro Bank Account with the amount of that unauthorised payment. However, you must pay us the amount of that unauthorised payment if:

- a. we cannot recover within 20 BPAY Banking Days of us attempting to do so that amount from the person who received it, and
- b. the payment was made as a result of a payment direction, which did not comply with our prescribed security procedures for such payment directions.

If we are able to recover part of the amount of that payment from the person who received it, you must only pay us the amount of that payment that we are not able to recover.

If an unauthorised BPAY Payment is also a mistaken payment (refer to clause 12.0) or fraudulent payment (refer to clause 14.0), the payment will be dealt with under this clause 13.0.

14.0 Fraudulent BPAY Payments

If a BPAY Payment is induced by the fraud of a person involved in the BPAY Scheme, then that person should refund you the amount of the fraud-induced payment. However, if that person does not refund you the whole amount of the fraud induced payment, you must bear the loss unless some other person involved in the BPAY Scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment that is not refunded to you by the person that induced the fraud.

If a fraudulent BPAY Payment is also a mistaken payment (refer to clause 12.0), the payment will be dealt with under this clause 14.0.

15.0 Scheme Information

You acknowledge that we may obtain from and disclose to any person who is a participant in the BPAY Scheme information about you for any purpose relating to the

operation of the BPAY Scheme. Our rights under this clause continue despite termination.

16.0 Tyro Bank Account must not be in debit

You are responsible for knowing the balance of your Tyro Bank Account and you must not overdraw your Tyro Bank Account make a transfer or authorise a payment from your Tyro Bank Account for an amount that exceeds your Tyro Bank Account balance.

17.0 Base Interest

Subject to the other provisions of this Agreement, your Tyro Bank Account will accrue interest at the Base Interest Rate on the daily balance of your Account.

There is no minimum balance required for interest to be payable.

Interest is:

- a. calculated on the daily cleared balance at the end of each Business Day; and
- b. credited to the Tyro Bank Account:
 - monthly in arrears on the third Business Day of the subsequent month; or
 - otherwise on the day the Tyro Bank Account is closed. However, no interest is payable for the day of closure.

We reserve the right to determine the exact cut off time for calculation of interest or change that cut off time in our discretion.

As an example, if your Tyro Bank Account balance is \$1,000 at the end of day for 29 days in the month, the current Base Interest Rate applicable to your Tyro Bank Account is 2.00% pa, your interest is paid monthly, and the month in which the interest is calculated has 30 days, then the interest will be calculated as follows:

$$\frac{(\$1,000 \times 2\% \times 29)}{360} = \$1.61$$

The interest paid for the calendar month is \$1.61 and is credited to your Tyro Bank Account on the third Business Day of the subsequent month.

The above example is indicative only and uses rates and figures we have selected to demonstrate how the Tyro Bank Account works. Actual interest rates may vary without your consent. The calculations include rounding of decimal places.

18.0 Bonus interest

Bonus interest will be paid on the balance in your Tyro Bank Account, dependent on the minimum balance across a period of time. The Bonus Interest Rate applies once the minimum interest tier period is reached. The Bonus Interest Rate will be paid in addition to the Base Interest Rate.

The Bonus Interest Rate and tier information can be found at tyro.com/rates. We can change the Bonus Interest Rate and tier information at any time in our discretion.

For example, if the minimum interest tier period is 30 days and your Tyro Bank Account balance is \$1,000 at the end of day for 29 consecutive days and the balance decreases to \$530 on the thirtieth day, the minimum balance held for a 30 day period is \$530 and the Bonus Interest Rate, in addition to the Base Interest Rate, will accrue each subsequent day that the \$530 balance is held, commencing on the 31st day.

Assuming that the current Base Interest Rate applicable to your Tyro Bank Account is 2.00% pa, current one month Bonus Interest Rate applicable to your Tyro Bank Account is 0.25% pa, interest is paid monthly, and the month in which the interest is calculated has 30 days. Interest will be calculated for the second month (as long as the minimum balance remains at \$530) as follows:

$$\begin{aligned} & \frac{(\$1,000 \times 2.00\% \times 30)}{360} \\ & \text{plus} \\ & \frac{(\$530 \times 0.25\% \times 30)}{360} \\ & = \$1.78 \end{aligned}$$

The interest paid for the calendar month is \$1.78 and will be credited to your Tyro Bank Account on the third Business Day of the subsequent month.

19.0 Your liability

You will be liable for all transactions conducted on the Tyro Bank Account by an Authorised Signatory, Account User or any other person you (or the Authorised Signatory or Signatories) have authorised to use or transact on the Tyro Bank Account.

You will not be liable for loss arising from an unauthorised transaction if the loss is caused by:

- a. fraud or negligence by our employee or agent or a third party involved in networking arrangements;
- b. a Pass Code or Fingerprint Login which is forged, expired or cancelled;
- c. a transaction requiring the use of a Device and Pass Code or Fingerprint Login that occurred before you acquired the Device and received the Pass Code from us or set up the Fingerprint Login for the Tyro App;
- d. a transaction being incorrectly debited more than once to the Tyro Bank Account; and
- e. an unauthorised transaction performed after you have notified us that you have lost your Device or your Device has been stolen or that the security of your Device, Pass Code or Fingerprint Login (as set out in clause 21.0 of this Part C) has been breached.

You will be liable for loss arising from an unauthorised transaction if we can prove on the balance of probabilities that you contributed to the loss through fraud, or by breaching your security obligations, in which case you will:

- a. be liable in full for the actual losses that occur before the loss, theft or misuse of a Device or breach of any of the security obligations are reported to us; but
- b. not be liable for the portion of losses that exceeds the balance of the Tyro Bank Account.

If we can prove, on the balance of probabilities, that you contributed to losses resulting from an unauthorised transaction by unreasonably delaying reporting to us of the misuse, loss or theft of a Device or that the security of the Pass Code or Fingerprint Login has been breached, you will be liable for the actual losses that occur between:

- a. when you became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen Device; and
- b. when you report the security compromise to us,

but you will not be liable for any portion of the losses that exceed the balance of the Tyro Bank Account.

For an unauthorised transaction that occurs other than in the circumstances set out above, you will be liable for the least of:

- a. AUD150;
- b. the balance of the Tyro Bank Account; or
- c. the actual loss at the time you report to us the misuse, loss or theft of a Device or breach of Pass Code or Fingerprint Login security.

20.0 Mistaken payments (excluding BPAY)

When initiating and approving Payment Directions, you must ensure that the recipient details (the BSB and account number, or the BPAY Biller code and reference number) of the relevant account has been correctly entered in the Payment Direction. We do not check or verify this information.

If you believe a transfer has been made to the wrong account, you must notify us immediately. We will then investigate whether a mistaken payment has occurred.

If we are satisfied that a mistaken payment has occurred, we will send to the ADI that received the payment a request for the return of funds. If the receiving ADI returns such funds, we will credit the Tyro Bank Account for the amount received.

If the receiving ADI does not return the funds, we will have no obligation to seek to receive such funds from the receiving ADI or any other party. We will have no liability or responsibility for any loss you incur as a result of a mistaken payment that cannot be recovered by us under this clause.

You should regularly check your transaction history and tell us immediately if you discover any error.

21.0 Security obligations

You must not and must ensure that your Authorised Signatories and Account Users do not:

- a. voluntarily disclose their Pass Codes to anyone;
- b. provide or allow any person to use a Device on which the Tyro App is accessible;
- c. keep a written record of the Pass Code on one or more articles likely to be lost or stolen simultaneously, without making a reasonable attempt to protect the security of the Pass Code;
- d. keep a record of the Pass Code with the Device; and
- e. keep a record of the Pass Code on your Device or other electronic device.

A reasonable attempt to protect the security of a Pass Code record includes making any reasonable attempt to disguise the Pass Code within the record, or prevent unauthorised access to the Pass Code record, including by:

- a. hiding or disguising the Pass Code record among other records;
- b. hiding or disguising the Pass Code record in a place where a Pass Code record would not be expected to be found;
- c. keeping the Pass Code record in a securely locked container; or
- d. preventing unauthorised access to an electronically stored record of the Pass Code.

You must (and must ensure that your Authorised Signatories and Account Users do) take reasonable precautions to

prevent others from watching you (or them) enter the Pass Code.

You agree that you will (and that you will ensure that your Authorised Signatories and Account Users will):

- a. not leave the Device unattended and logged in to the Tyro App;
- b. lock the Device or take other steps necessary to stop unauthorised use of the Tyro App; and
- c. immediately report to us if the Device has been lost or stolen or if you suspect that your Pass Code has become known to someone else.

When choosing a Pass Code, you must not (and you must ensure that your Authorised Signatories and Account Users do not) choose a Pass Code that:

- a. is obvious or can be easily guessed, such as using a number that represents your date of birth or drivers licence number; or
- b. is an alphabetical Pass Code that is a recognisable part of your name (including your business name).

You must not (and must ensure that your Authorised Signatories and Account Users do not) allow any other person to set up a Fingerprint Login for the Tyro App or on a Device on which the Tyro App is accessible.

If you, or an Authorised Signatory or Account User, are in breach of this clause you will be taken to be in breach of your security obligations.

Your Pass Code must only be entered on the Tyro App. You must not provide your Pass Code to any person (including a person who purports to be from us or acting on our behalf) or enter the Pass Code on any website, email or in any other manner. If you receive a communication (other than through the Tyro App) that requires you to provide your Pass Code, you must not provide the Pass Code and must immediately report the communication to us.

22.0 Reporting a breach

You must immediately report a breach of any security requirements to us by using the contact details on our website.

23.0 Statements

We will issue you with a statement at least every 6 months either via the Tyro App or by other electronic means as we determine in our discretion.

Each statement will record all transactions on your Tyro Bank Account since the date of the last statement.

You should review your statement as soon as you receive it to ensure that all transactions are correct.

Please contact us immediately if you believe there is an error on your statement.

24.0 Freezing your account

Any one Authorised Signatory can ask us at any time to place a stop on your Tyro Bank Account, in which case you and any other Account User will not be able to make any further transactions on the account until two Authorised Signatories ask us to remove the stop. If you request a stop on your account, you will continue to be liable for any transactions authorised but not yet processed at the time of your request. We will also continue to debit your Tyro Bank Account with all amounts due to us (including any loan repayments) while the stop is in place.

In some circumstances we may be required by law to freeze your account. In addition, in our discretion we may freeze your account where any loan you have with us is in arrears, where we reasonably believe there has been fraudulent, illegal or unauthorised activity on your account, where we are at risk due to a dispute or where we need to conduct reasonable investigations into your use of Tyro EFTPOS Banking. We will continue to debit your Tyro Bank Account for amounts due to us where permitted by law. Where we are not permitted by law to continue to debit your Tyro Bank Account for amounts owing to us, we will debit your Linked Account or Fee Account (if not your Tyro Bank Account) for all amounts owing to us including pursuant to any loan product you have with us. You will remain liable for all amounts due to us despite us not being able to debit such amounts from your Tyro Bank Account.

25.0 Closing the Tyro Bank Account

We will close your Tyro Bank Account if the Authorised Signatory(ies) in accordance with the Administration Authority request us to do so (unless you have a loan with us in which case your Tyro Bank Account must remain open until your loan is repaid in full). If you close your Tyro Bank Account, once all transactions have cleared, the cleared credit balance will be transferred to your Linked Account.

Notwithstanding anything in this Agreement, your Tyro Bank Account will be closed if the Tyro EFTPOS Facility or eCommerce Facility is terminated or if you are no longer using your Tyro EFTPOS Facility or eCommerce Facility and there no funds held in the Tyro Bank Account. Where possible we will attempt to notify you before closing your Tyro Bank Account.

We may close the Tyro Bank Account without notice if:

- a. we reasonably believe that you provided us with false or misleading information in the Application Form;
- b. you have failed to comply with any of the terms of this Agreement and have failed to remedy the failure within 5 Business Days after we provide you with notice of such failure; or
- c. you have failed to provide us with information or take any action which we reasonably require in order for us comply with all relevant laws.

If the Tyro Bank Account is closed, we will pay to your Linked Account the cleared credit balance of the Tyro Bank Account less:

- a. any accrued fees and charges;
- b. any accrued government charges, duties and taxes; and
- c. any amounts which are payable by you to us under this Agreement,
- d. by direct credit within 5 Business Days after your Tyro Bank Account is closed.

To the extent that the balance of the Tyro Bank Account is insufficient to discharge the amounts payable by you under this Agreement, you will remain liable to pay us such amounts and you authorise us to debit such amounts from the Linked Account and/or the Fee Account.

26.0 Death

If you are a partnership of individuals or otherwise comprise more than one individual and one of the account holders dies, the surviving owner(s) will own the Tyro Bank Account once we have received notification of death together with any

other relevant documentation we request.

If:

- a. you are an individual and you die; or
- b. the Administration Authority is "any to sign" and your sole Authorised Signatory dies; or
- c. the Administration Authority is "any two to sign" and as a result of the death of an Authorised Signatory, there are less than 2 surviving Authorised Signatories,

then, we will, subject to the below transactions, freeze the Tyro Bank Account on receiving notice of death until we receive all relevant documentation we request including confirmation of the identity of the relevant personal representative or replacement Authorised Signatory.

Once we receive notice of your death, we will:

- a. give effect to transactions which were approved through the Tyro App before we were notified of your death; and
- b. make such payments and debits from your Tyro Bank Account or Fee Account which are required for you to fully discharge your liabilities to us and other counterparties at the time we are notified of your death.

We will pay the balance of the funds (after having deducted all amounts which are required for you to fully discharge your liabilities and obligations to us) in your Tyro Bank Account to the person or persons that are lawfully entitled to receive such funds. We will not be responsible or liable if we pay those funds to a person who was not entitled to receive such funds. Upon paying such funds, your Tyro Bank Account will be deemed to have been closed.

27.0 Insolvency

If we receive notice that you are subject to an Insolvency Event, we will immediately freeze the Tyro Bank Account and we will only authorise transactions on the Tyro Bank Account that we receive from or on behalf of the receiver, administrator, controller, liquidator or any other person that is appointed or otherwise lawfully controls you or your assets.

28.0 Australian business number

At all times you must maintain a valid and current Australian business number (ABN). If we receive notice or become aware that your ABN is no longer current or valid, we can immediately freeze the Tyro Bank Account and will only remove a freeze where we are provided with evidence that you have a valid and current ABN.

29.0 Withholding tax

Tyro may decide to not accept your application if you do not provide your ABN. If you do provide your ABN, we may provide it to the Australian Taxation Office.

If you do not provide your ABN and you are not exempt from withholding tax, then we are required to withhold tax earned from the interest accrued on the Tyro Bank Account and provide this interest to the Australian Taxation Office. We may also be required to withhold tax from interest accrued in some other circumstances depending on your residency. Any amounts to be withheld in accordance with this clause 29.0 will reduce the amount of interest credited to your Tyro Bank Account in accordance with this Agreement. The interest withheld will generally be at the highest tax marginal rate, plus any levies that are applicable.

30.0 Additional requirements

In order for us to comply with any applicable laws or regulations, you agree that, despite any term in this Agreement to the contrary:

- a. you will provide us with any information or assistance we request; and
- b. we may block access to the Tyro Bank Account or delay processing any transactions conducted on the Tyro Bank Account.
