3. Information

You must provide us with any information we reasonably request from time to time.

You consent to us disclosing your personal, credit and other information to the Commonwealth of Australia, plus any additional disclosures in the Privacy Statement and Consent.

4. Purpose

You must:

- (a) only use the Loan for your business purposes;
- (b) apply the Loan Amount to support current and upcoming cash flow needs (including working capital, liquidity and operating expenditure);

Tyro EFTPOS Banking Terms and Conditions

PART D – Tyro Business Loans – SME Guarantee Scheme

- (c) not use the Loan to purchase equipment or property;
- (d) not use the Loan to refinance any existing financial indebtedness (other than to repay a 'Scheme-Backed Loan' (as defined in the Scheme Rules)).

5. Loan

We provide the Loan by depositing the Loan Amount into your Tyro Bank Account.

6. Fees

The Loan Summary sets out the Loan Fee that you are required to pay us which forms part of your Total Repayment Amount.

7. Repayment

You owe us the Total Repayment Amount. You must repay it to us by making the repayments described below.

Final Repayment Date:

The Total Repayment Amount must in all cases be repaid to us in full by the date that is 3 years after the Loan Agreement Date (**Final Repayment Date**). Where the Final Repayment Date is not a Business Day, you must repay the Total Repayment Amount in full on the immediately preceding Business Day.

Repayment Percentage:

Commencing on the date immediately following the Repayment Holiday Period, you authorise us to deduct from your Tyro Bank Account the Repayment % of the total dollar value of all Transactions processed by you each day until the Total Repayment Amount is repaid in full. We will make this deduction at or before the settlement of your Transactions to your Tyro Bank Account, and apply the deduction to the outstanding balance of your Loan.

Where there are one or more Tyro Terminals issued to you in respect of different business locations, you authorise us to deduct the Repayment % of the total dollar value of all Transactions processed by you from any or all Terminals and Tyro eCommerce until the Total Repayment Amount is paid in full.

Minimum repayments:

Despite the Repayment %, you must repay a minimum of 10% of the Total Repayment Amount in each period of 90 days (starting on the date immediately following the Repayment Holiday Period). If your repayments during the 90 day

period (based on the Repayment %) are less than the minimum repayment, you authorise us to debit the balance required to make up the minimum repayment from your Tyro Bank Account or Linked Account without notice. You must ensure that the Tyro Bank Account or Linked Account is open and contains enough money to cover your minimum repayments.

If you make payments to the Loan in respect of a 90 day period that exceed the minimum amount required to be paid in that period, it will not reduce the minimum amount repayment required to be paid in a subsequent 90 day period (that is, you must still pay a minimum of 10% of the Total Repayment Amount in each subsequent 90 day period).

Following the Repayment Holiday Period, you can make additional payments at any time. You however cannot redraw any amounts paid.

Debits of outstanding amounts:

In addition to any minimum repayments that are missed, you authorise us to debit from your Tyro Bank Account or Linked Account any other amounts which are owing by you under or in connection with the Loan (including any Taxes). We may debit such amounts following the Repayment Holiday Period or earlier in the case of a Default.

To the extent that the funds in your Tyro Bank Account or Linked Account are insufficient to repay us in full, you authorise us to debit the available balance in those accounts and apply it to any amount that forms part of the Total Repayment Amount and is due to us and unpaid and acknowledge that the residual amount payable will be a debt due and payable by you to us. You agree that we may combine or set-off the balance of any accounts you have with us and apply any funds in those accounts to repay all or any part of the Total Repayment Amount that is overdue for payment. If we exercise our right to combine or set-off accounts, we will notify you promptly.

You should tell us as soon as you can if you are experiencing financial difficulty or you believe you may find it difficult to make repayments when due so we can work with you to try to help you.

8. Additional obligations

Until you repay the Total Repayment Amount in full you must:

- (a) continue to hold and operate a Tyro Bank Account as your Settlement Account for all Transactions you process;

- (i) the Total Repayment Amount, when aggregated with all other 'Loan Limits' of all other 'Scheme-Backed Loans' (as those terms are defined in the Scheme Rules) to you from any 'Participating Lender' (as defined in the Scheme Rules), is less than \$250,000;
- (j) your SME Declaration is true and correct and is not misleading; and
- (k) all information that you have given to us, that is material to us protecting our rights and legitimate business interests, is true and correct and not misleading.

10. Defaults

Each of the following is a Default:

- (a) you fail to make a repayment in full on the due date, and do not correct the failure within 3 Business Days of the due date.
- (b) we determine (acting reasonably) that you have breached any obligation under the Agreement which, in our reasonable opinion, presents a material risk to your ability to repay, and if, in our reasonable opinion, the breach is capable of remedy, the breach is not remedied within 5 Business Days of us giving notice to remedy the breach;
- (c) any warranty, representation or statement made or repeated by you in this Agreement is materially untrue in any respect or misleading in a material respect when made or repeated and which, in our reasonable opinion, presents a material risk to your ability to repay, and if the circumstances causing that untrue warranty or misrepresentation are capable of being remedied, those circumstances have not been remedied within thirty (30) days of the occurrence of that untrue statement or misrepresentation;

You must notify us as soon as practicable if a Default occurs or is reasonably likely to occur.

11. Consequences of Default

In addition to any rights at law, at any time after a Default, we may do any of the following:

- (a) by notice to you, declare the Total Repayment Amount to be immediately due and payable, and upon receipt of the notice, you must immediately pay us the outstanding Total Repayment Amount;
- (b) debit the Tyro Bank Account or Linked Account for an amount sufficient to repay the outstanding Total Repayment Amount;
- (c) by notice to the Guarantor, declare the outstanding Total Repayment Amount to be immediately due and payable by the Guarantor; and/or
- (d) do anything else the law allows us to do.

13. Avoidance

If a payment made by you to us is void, voidable, unenforceable or defective for any reason or we choose to direct that payment to another party who is entitled to the money that is subject to the payment (each an "Avoidance"), then even though we knew, could, or should have known of the Avoidance:

- (a) your liability under these terms will be what it would have been, and will continue, as if the payment which was subject to the Avoidance had not occurred; and
- (b) you will execute and do anything necessary or required by us to restore us to the position immediately before the Avoidance.

This clause survives termination of this Agreement.
