We provide a minimum of one year of Transaction History on your Tyro Portal. Except as required by law, you are solely responsible for compiling and retaining permanent records of all Transactions and other data associated with your eCommerce Facility, your Transaction History, and your use of Tyro eCommerce.

Except as required by law, you are solely responsible for reconciling your Transaction History with your actual processed Transactions. You agree to notify us of any discrepancies arising from such reconciliation and verification within sixty (60) days. In the event you are owed money as a result of the discrepancy, please contact us to seek resolution.

8.0 Security

You must:

- a. not disclose (other than to us or unless required by law) or obtain a Cardholder's name or Card details to or from any person, except where that information has been lawfully collected by you other than through a Transaction;
- b. comply with all applicable user guides and other security requirements specified at <https://www.tyro.com> (including for the eCommerce Facility <https://www.tyro.com/solutions/payments/online/features/security-and-fraud-protection/> and for the Tyro EFTPOS Facility <https://www.tyro.com/solutions/payments/eftpos/features/security-and-fraud-protection/>) as published and amended by us from time to time;

- c. comply with the PCI DSS Requirements and any Scheme security requirements;
- d. permit us or our representative reasonable access to inspect your computer systems to conduct an investigation on whether there has been a security breach and/or data compromise. To the extent reasonably possible, we will use reasonable endeavours to cause minimal disruption where possible;
- e. use reasonable care to detect forged or unauthorised signatures or the unauthorised use of a Card;
- f. not process a Transaction by keying the transaction details manually into a Terminal unless instructed to do so by the Terminal;
- g. co-operate with, implement required measures and provide information requested by either a Scheme or us in order to reduce risks generally including the risk of Invalid Transactions;
- h. use reasonable care to prevent the use of a Card as an instrument in money laundering activities;
- i. use reasonable care to protect the security of your Tyro passwords; and
- j. not and must ensure that your Authorised Signatories, Administrators and Account Users do not:
 - voluntarily disclose their Tyro password to anyone; and
 - keep a written record of their Tyro password on one or more articles likely to be lost or stolen simultaneously, without making a reasonable attempt to protect the security of the password.

You acknowledge that from time to time, we may implement processes, procedures and software to identify fraudulent transactions in connection with your use of your Tyro EFTPOS Facility and/or eCommerce Facility. You acknowledge and agree that these measures are designed to minimise the incidence of fraud or otherwise illegal transactions, but do not guarantee that such transactions are eliminated.

9.0 Records and Statements

You must:

- a. keep all Receipts, your books of account and records of all Transactions (both sales Transactions and Refunds) for a minimum period of eighteen (18) months;
- b. provide us with all Receipts and other records in connection with Transactions as requested by us; and
- c. permit us or our representative to inspect Receipts, your books of account and records of all Transactions (both sales Transactions and Refunds) on request. Where reasonably possible we will do this with prior notice and/or during business hours.

We will make available to you on one or more Tyro Platforms each month a statement showing the amount of all Transactions processed by us for you during the month. It is your obligation to check the statement to ensure the accuracy of the payments to and from the Settlement Account and from the Fee Account.

10.0 Settlement Times

For Transactions processed using the Tyro EFTPOS Facility, an automated settlement time can be nominated via the Terminal by any person or by any person who contacts us

with your Terminal details and requests us to do so. You authorise us to act on these instructions and establish the nominated automated settlement time. If you have not nominated an automated settlement time, your existing automated settlement time (allocated by us) will apply.

For Transactions processed using Tyro eCommerce, we will initiate transfer of the proceeds of all valid Transactions processed via Tyro eCommerce (net of fees, Chargebacks and other funds owed to us) at the same settlement time as for your Tyro EFTPOS Facility.

11.0 Settlement

If your Settlement Account:

- a. is a Tyro Bank Account – we will use reasonable endeavours to credit your Tyro Bank Account with the proceeds of all valid Transactions promptly after your nominated automated settlement time or, where you have not nominated a settlement time, your existing automated settlement time (allocated by us). However, we are not liable for any delay in crediting your Tyro Bank Account; or
- b. is not a Tyro Bank Account – we will generally issue payment instructions to credit the proceeds of all valid Transactions to your Settlement Account no later than two (2) Business Days following the date the Transaction is processed by a Terminal or Tyro eCommerce (as applicable) as long as settlement of all your Terminals and Tyro eCommerce (if applicable) occurs either by a manual settlement initiated by you or an automated settlement initiated by our systems prior to 5am (AEST). Notwithstanding when we issue payment instructions to credit your Settlement Account, your bank will determine when it makes the instructed payment available as disposable funds in your Settlement Account.

If you apply for a Tyro Bank Account together with your Tyro EFTPOS Facility or eCommerce Facility, we may need more time to process your application for the Tyro Bank Account than your application for the Tyro EFTPOS Facility or eCommerce Facility (to comply with our obligations under the AML/CTF Act). While we process your Tyro Bank Account application, you may start to accept Transactions using your Tyro EFTPOS Facility or eCommerce Facility. However, unless you specify another account to be your Settlement Account:

- a. we will hold the proceeds of all valid Transactions on your account until we approve your application for, and issue you with, the Tyro Bank Account; and
- b. once we issue you with the Tyro Bank Account, we will credit your Tyro Bank Account with those proceeds as set out above.

If you open a Tyro Bank Account, your Tyro Bank Account will automatically become your Settlement Account. You can instruct us to make another account your Settlement Account by contacting us.

If there is any delay by our counterparties in respect of a Transaction, we may delay settlement to you until that counterparty fulfils its obligations. We reserve the right to delay the payment instruction of any Transaction until we receive payment in respect of that Transaction.

If our counterparty in respect of a Transaction:

- a. fails to make a payment to us; or
- b. makes a payment to us that is less than the full value of the relevant Transaction,

for any reason and we have already credited the Settlement Account in respect of the relevant Transaction, you must immediately repay to us the amount of the shortfall. Without limiting any other recourse we may have, you authorise us to debit the shortfall amount (as reasonably determined by us) from the Fee Account.

You acknowledge and agree that our obligation to credit valid Transactions to your Settlement Account may from time to time be subject to other legal obligations binding on us to credit part or all of a valid Transaction to a third party, including the Australian Taxation Office and any other third party pursuant to an applicable law or legally binding order.

Where there is a change in ownership of your business, we will continue to settle all Transactions to the existing Settlement Account until we have approved the new owner's Application for a Tyro EFTPOS Facility or eCommerce Facility, assigned all Equipment that is transferring to the new owner and have received all other information we request from the new owner.

12.0 Settlement Account and Fee Account

For the duration of this Agreement you must maintain a Settlement Account to which amounts payable by us to you may be credited or any Refunds or Chargebacks may be debited.

- b. any overpayments made by us;
- c. any Chargeback; and
- d. any amounts payable to us in relation to DCC Chargebacks and DCC Refunds,

or as you otherwise instruct us.

You must maintain a Fee Account to which amounts payable by you to us may be debited. The Settlement Account and the Fee Account will be the same account unless you notify us otherwise. You must maintain the Fee Account for the duration of this Agreement and for at least one hundred and eighty (180) days after termination of this Agreement. You must not make any changes to the Fee Account without notifying us in advance.

You authorise us to debit the Fee Account in respect of:

- a. all fees and charges payable by you under this Agreement;
- b. any Scheme fines or penalties payable as a result of your breach of this Agreement or which we incur because of your actions or inactions;
- c. any fines, penalties or costs which we incur as a result of your failure to comply with the PCI DSS Requirements;
- d. the full amount of Refunds presented by you if these cannot be debited from your Settlement Account;
- e. any overpayments made by us if these cannot be debited from your Settlement Account;
- f. any Chargeback if this cannot be debited from your Settlement Account;

- i. duties and taxes payable by you in relation to or connection with this Agreement;
- j. any deficiency in a payment disclosed in an audit or check by us; and
- k. any other amounts due by you to us under this Agreement,

or as you otherwise instruct us.

We have the right to withhold or suspend payment of all amounts that would otherwise be payable to you:

- a. where you owe us any amount under this Agreement (including fees and charges) until such amount has been paid; or
- b. until we have concluded reasonable investigations into any claimed Chargebacks or into the validity of any Transactions.

You agree that these authorisations continue despite termination of this Agreement.

13.0 Chargebacks

We may refuse to accept, or having accepted, may Chargeback, any Transaction if:

- a. we consider that the Transaction is an Invalid Transaction or the relevant Scheme determines that a Transaction is prohibited, unauthorised or fraudulent or otherwise determines not to pay us the value of the relevant Transaction for any reason;
- b. the Transaction is illegal;
- c. the Cardholder disputes all or any part of its liability for any reason; or
- d. the Card was not valid at the time of the Transaction.

If we are unable to debit your Settlement Account or Fee Account for the value of any Chargeback (or part of the value of any Chargeback) in accordance with clause 12.0 of this Part B, you must pay us the value, or outstanding part of the value, of the Chargeback on demand from us.

You agree to provide us and the relevant Scheme with all relevant documentation and records relating to a Transaction that is the subject of a Chargeback, to enable us to fulfil our obligations to the relevant Scheme with respect to that Chargeback.

You acknowledge and agree that the relevant Scheme makes the final determination as to whether a Transaction will be subject to a Chargeback.

You agree to comply with our guidelines and procedures relating to chargebacks, available at <https://www.tyro.com/chargebacks-disputes-guide/>

14.0 Promotional material

We may supply you with decals and insignias for the Cards accepted. We may supply you with other promotional material at our discretion.

You agree to:

- a. prominently display, wherever reasonably directed by us, logos, decals and other signs advertising Schemes and Cards;
- b. not use any Scheme or Card logo or decal for any purpose other than the purpose of indicating acceptance of the relevant Scheme or Card or, in the case of advertising or promotional material provided by us, except as expressly authorised by us;

- c. give all payment methods equal or substantially similar logo placement and treatment in terms of payment flow, terms, conditions, restrictions or fees;
- d. not attempt to influence or inhibit a Cardholder's decision in relation to the use of any payment method or encourage a Cardholder to use a particular payment method;
- e. not mischaracterise, misrepresent or disparage any payment method or exhibit a preference for one or more payment methods; and
- f. when you display or exhibit the payment methods that you accept, display all payment methods in an equal and positive manner, including on websites and in marketing materials, advertising and other customer communications.

In the course of your use of Tyro eCommerce, there may be certain images made available for use by you ("**Gallery Images**"). As part of the use of the Gallery Images, you must comply, and will ensure that any third party you allow access to your credentials on Tyro eCommerce complies, with the following terms. The Gallery Images shall not be used:

- a. except solely as incorporated into the digital products created and distributed using Tyro eCommerce;
- b. together with pornographic, defamatory, or unlawful content or in such a manner that it infringes upon any third party's trademark or intellectual property rights;
- c. portraying any person depicted therein (a "**Model**") in a way that a reasonable person would find offensive, including but not limited to depicting a Model: a) in connection with pornography, "adult videos", adult entertainment venues, escort services, dating services, or the like; b) in connection with the advertisement or promotion of tobacco products; c) as endorsing a political party, candidate, elected official, or opinion; d) as suffering from, or medicating for, a physical or mental ailment; or e) engaging in immoral or criminal activities; or
- d. as or as part of a trademark, service mark, or logo.

15.0 DCC Services

If we provide DCC Services to you:

- a. the Terminal will display the amount payable by the Cardholder in AUD and also the relevant foreign currency amount for each DCC Transaction;
- b. the Cardholder must select whether to process the DCC Transaction in AUD or the applicable foreign currency, you must not influence this decision;
- c. we will settle the relevant DCC Transaction by crediting the Settlement Account with the AUD value of the Transaction;
- d. you will be entitled to a DCC Rebate which we will pay into your Settlement Account on the first Business Day after the end of each calendar month;
- e. on the first Business Day after the end of each calendar month, we will generate a DCC Recipient Created Tax Invoice detailing DCC Rebate payable for the preceding month. You agree not to generate any other invoice relating to DCC Rebate payments;
- f. for DCC Chargebacks and DCC Refunds, you will be required to refund the Cardholder the Transaction value at the currency conversion rate applicable at the date of the DCC Chargeback or DCC Refund. This means that you assume currency risk for these types of Transactions.

For the purposes of clause 15.0(e), we will issue you any DCC Recipient Created Tax Invoice within 28 days of determining the relevant DCC Rebate. You will not issue tax invoices in respect of the supplies included on the DCC Recipient Created Tax Invoice.

You confirm that you are registered for GST at the start of this Agreement (if you are required to be registered) and will immediately notify us if you cease to be registered for GST.

You will notify us if you cease to comply with the requirements or undertakings provided in this clause 15.0 or by any issue known to, or becoming known to you which would cause us not to qualify to issue the DCC Recipient Created Tax Invoices.

We confirm we are registered for GST at the start of this Agreement and we will immediately notify you if we cease to be registered for GST.

We will notify you if we cease to comply with the requirements or undertakings provided in this clause 15.0, or by any issue known to or becoming known by us which would cause us not to qualify to issue the DCC Recipient Created Tax Invoices.

It is important that where a mistake occurs in processing a DCC Transaction that you reverse the DCC Transaction rather than processing a DCC Refund. If you process a DCC Refund rather than a reversal, significant currency spread can occur which can result in you incurring a large liability.

If you process a DCC Refund or reversal or a DCC Chargeback occurs, you are required to repay to us an amount equivalent to the DCC Rebate paid in respect of the original DCC Transaction. In these circumstances, you authorise us to debit an amount equivalent to the relevant DCC Rebate paid in respect of the original DCC Transaction from your Settlement Account.

16.0 Medicare Easyclaim

If we provide you with the ability to process Medicare Easyclaim transactions via your Terminal:

- a. you must comply with all relevant legislation and government guidelines and requirements in relation to processing Medicare Easyclaim transactions;

If you use the Terminal to process the claim, you must also process the payment via the same Terminal, except where the payment cannot be processed via the Terminal;
- c. in processing a bulk bill claim or part paid claim you must ensure that the claimant has assigned the right benefits to the relevant provider and retain evidence of the assignment of benefit in accordance with all relevant legislation and government guidelines;
- d. for bulk bill or part paid claims, we facilitate electronic claiming via the Terminal but do not provide settlement services. Medicare is responsible for processing such payments in accordance with its procedures;
- e. for bulk bill claims, you acknowledge that such claims may be subsequently rejected by Medicare and it is your responsibility to manage the payment process with Medicare;
- f. to the maximum extent permitted by law, we are not responsible or liable where a claim cannot be processed or is rejected or void for any reason;
- g. you must not process in-patient claims via the Terminal; and

- h. we may suspend or discontinue these services for any reason in our discretion (acting reasonably).

We do not settle and are not responsible for any payments by the Allied Claims Provider or the relevant health fund to you;
- e. the remaining payment due by the Cardholder to you must be processed as any other Transaction using the Terminal; and
- f. you must not process in-patient claims via the Terminal.

- j. rent, lease, loan, trade, sell/re-sell, or otherwise charge any party for access to Tyro eCommerce; or
- k. transmit any viruses, worms, defects, Trojan horses, or any programming of a destructive nature.
