 - b. for Scheduled Payments that are scheduled to occur or recur on more than one future date – we will attempt to process each payment at regular intervals on the scheduled date for payment. If on a scheduled date for payment your account has insufficient cleared funds to satisfy the relevant Scheduled Payment, that Scheduled Payment will be cancelled. C.8.2 If a Mistaken Payment has occurred, we will ask the ADI that received the payment to return the funds and:

- a. if the ADI returns some or all of the funds – we will credit your account for the amount returned; or
- b. if the ADI does not return the funds – we will have no further obligation to seek to recover the funds and will not be responsible for any Loss you suffer as a result.

C.8.3 You should regularly check your transaction history and notify us immediately if you identify any error.

C.9 Unauthorised Transactions (excluding BPAY)

C.10 BPAY Payments

- C.10.1 To make a BPAY Payment, you must:
- a. give us the BPAY Biller's unique biller code, your Customer Reference Number as assigned by the BPAY Biller, the amount of the payment and, for Scheduled Payments, the payment date; and
 - b. comply with the security obligations in clause A.8 and give us a Payment Instruction in accordance with this Agreement.
- We cannot process a Payment Instruction for a BPAY Payment if you do not give us that information, if you give us inaccurate information, or if you do not comply with those security obligations.
- C.10.2 We may reject a Payment Instruction for a BPAY Payment if the recipient BPAY Biller is no longer a participant in the BPAY Scheme.
- C.10.3 We cannot stop or reverse a BPAY Payment once you have given us a Payment Instruction to make the payment.
- C.10.4 A BPAY Payment is irrevocable unless it is a mistaken payment (see clause C.13), unauthorised payment (see clause C.14) or a fraudulent payment (see clause C.15). No refunds will be provided through the BPAY Scheme if you have a dispute with a BPAY Biller about any goods or services you may have agreed to acquire from the BPAY Biller. Any dispute must be resolved with the BPAY Biller.
- C.10.5 We will take reasonable steps to ensure that your BPAY Payments are processed promptly by participants in the BPAY Scheme.
- C.10.6 You agree that we may obtain from, or disclose to, any participant in the BPAY Scheme information relating to you (including personal information about you) for any purpose necessary to facilitate the provision of BPAY Payments to you.

C.11 Processing BPAY payments

- C.11.1 A BPAY Payment will be treated as received by the recipient BPAY Biller:
- if you instruct us to make the payment before the Cut Off Time on a BPAY Banking Day – on the same day you make the payment; or
 - if you instruct us to make the payment after the Cut Off Time on a BPAY Banking Day or on a day which is not a BPAY Banking Day – on the next BPAY Banking Day.
- C.11.2 A delay may occur in processing a BPAY Payment if:
- you instruct us to make the payment after the Cut Off Time and the following day is not a BPAY Banking Day;
 - you instruct us to make the payment on a day which is not a BPAY Banking Day or after the Cut Off Time on a BPAY Banking Day; or
 - a BPAY Biller, or another financial institution participating in the BPAY Scheme, fails to comply with its obligations under the BPAY Scheme.
- C.11.3 The Cut Off Time is 5.30 pm (Sydney time).
- C.11.4 If a BPAY Payment cannot be processed by a BPAY Biller, we will advise you of this, credit your account with the amount of the BPAY Payment and take all reasonable steps to assist you to make the BPAY Payment as quickly as possible.

C.12 Mistaken, Unauthorised or Fraudulent BPAY Payments

- C.12.1 You must notify us immediately if you, your Authorised Signatories or Account Users become aware that:
- there has been a delay or mistake in your BPAY Payments;
 - a Payment Instruction to make a BPAY Payment includes a mistake;
 - a BPAY Payment has been made from your account that you did not authorise; or
 - you may have been fraudulently induced to make a BPAY Payment.
- C.12.2 We will take reasonable steps to rectify any matter of which you notify us under clause C.12.1 in accordance with clauses C.13, C.14 and C.15 below. However, the longer the delay between a payment and when you notify us, the more difficult it may be for us to rectify the matter.
- C.12.3 If a BPAY Biller receives a mistaken or erroneous payment from a third party, in no circumstances will that payment satisfy any underlying debt owed by you to the BPAY Biller.

C.13 Mistaken BPAY Payments

- C.13.1 If your account is debited for a BPAY Payment to a person or for an amount which does not accord with your Payment Instructions, we will credit the amount of the payment to your account. However, if:

- a. you, your Authorised Signatories or Account Users were responsible for a mistake resulting in the BPAY Payment; and
- b. we cannot recover the amount of the payment from the person who received it within 20 BPAY Banking Days of us attempting to do so,

you will owe us an amount equal to the value of the payment, which we may, acting reasonably, debit from your accounts in accordance with clauses A.3 and A.4. However, we will credit to you any amount that we subsequently recover from the person who received the payment.

C.13.2 If you instruct us to make a BPAY Payment and later become aware that:

- a. the amount you instructed us to pay was less than you needed to pay – you can make another BPAY Payment for the difference between the amount paid and the amount you needed to pay; or
- b. the amount you instructed us to pay was greater than you needed to pay – you should contact the BPAY Biller to obtain a refund.

C.14 Unauthorised BPAY Payments

C.14.1 If a BPAY Payment is made in accordance with a Payment Instruction which was not in fact authorised by you, your Authorised Signatories or Account Users, we will credit your account with the amount of that payment unless:

- a. the Payment Instruction was given with your knowledge or consent, or the knowledge or consent of your Authorised Signatories or Account Users; or
- b. the payment was made as a result of you not complying with the security obligations in clause A.8.

C.14.2 If we are able to recover any part of a payment that has occurred in the circumstances set out in clause C.14.1(a) or (b), we will credit your account with an amount equal to the funds recovered.

C.14.3 If you notify us that a BPAY Payment is unauthorised, we may request your written consent for the BPAY Biller who received the payment to disclose to us information about your account with that BPAY Biller or the payment. If you do not give that consent, the BPAY Biller may not be able to disclose the information we need to investigate or rectify the payment.

C.14.4 If an unauthorised BPAY Payment is also a mistaken BPAY Payment (see clause C.13) or a fraudulent BPAY Payment (see clause C.15), the payment will be dealt with in accordance with this clause C.14.

C.15 Fraudulent BPAY Payments

C.15.1 If:

- a. you are fraudulently induced into making a BPAY Payment; and
- b. any other person involved in the BPAY Scheme committed, knew of, or with reasonable diligence should have detected the fraud,

that person may be obliged to refund you the amount of the fraud-induced payment. If that person does not refund you, you will bear the loss.

- C.15.2 If a fraudulent BPAY Payment is also a mistaken BPAY Payment (see clause C.13), the payment will be dealt with in accordance with this clause C.15.
