Tyro Terms and Conditions

D Tyro Business Loan Terms and Conditions

Effective: 1 October 2026

TYRO BUSINESS LOAN

D.1 Your Tyro Business Loan

- D.1.1 We provide the Loan by disbursing the Loan Principal to your Settlement Account.
- D.1.2 You must only use the Loan for your business purposes or any other commercial purpose that we approve in writing.

D.2 Fees

- D.2.1 You must pay us the Loan Fee.

YOUR REPAYMENTS AND OBLIGATIONS

D.3 Repayment

- D.3.1 Once we provide the Loan, you will owe us the Total Repayment Amount and must repay it to us.
- D.3.2 You authorise us to deduct the Daily Repayment from each Daily Settlement and apply it to the Total Repayment Amount until you repay the Total Repayment Amount in full.
- D.3.3 You must repay at least the Minimum Repayment during each Minimum Repayment Period. If, at the end of a Minimum Repayment Period, the value of your Daily Repayments during the Minimum Repayment Period is less than the Minimum Repayment:
 - a. you must immediately repay the deficit in the Minimum Repayment; and
 - b. you will owe us an amount equal to the value of the deficit, which we may debit from your accounts in accordance with clauses A.3 and A.4.
- D.3.4 If your repayments during a Minimum Repayment Period exceed the Minimum Repayment, it will not reduce the Minimum Repayment for subsequent Minimum Repayment Periods. You must still repay the Minimum Repayment in each subsequent Minimum Repayment Period until you have repaid the Total Repayment Amount.
- D.3.5 You may make additional repayments at any time, but cannot redraw any amounts you have repaid.

If you are experiencing financial difficulty or you believe you may find it difficult to make repayments when due, you should tell us as soon as possible so we can work with you to try to help you.

D.4 Other Obligations

D.4.1 Until you repay the Total Repayment Amount in full, you **must**:

- a. maintain a Tyro Bank Account as your Settlement Account;
- b. prudently manage your business and continue to process Transactions as you usually process them,

and **must not**:

- c. take steps that are likely to materially decrease the value of your Daily Settlements, including:
 - i. actively inviting your customers to pay using methods other than your Electronic Payments Facility;
 - ii. selling or ceasing to carry on all, or a material part of, your business or assets; or
 - iii. allowing any consent, authorisation, registration, permit or exemption that is necessary to conduct or otherwise material to your business to lapse;
- d. to the extent that the following may have a material adverse impact on your ability to repay the Total Repayment Amount:
 - i. declare, pay or make any asset distribution (for example, paying a dividend);
 - ii. amend your constitution or any other document that is material to your business; or
 - iii. enter into any transaction that is not on arm's length terms; or
